

India S. Green

October 23, 1963 - June 23, 2020

The future is not ours to know, and it may never be... so let us live and give our best, never anticipating or doubting the power of our Savior asking not of Tomorrow except, "Thy Will Be Done." There is a land... so bright ... so dear... so clear. It is with saddened hearts that we gather today to say our final farewell to our beloved India Standora Green.

On Tuesday, June 23, 2020, India Standora Green departed from our midst after a short illness in Hospice care at Gilchrist. India was born to Mary Frances Pearson (Patty) and the late Todd S. Thomas.

India received her education at Baltimore City Public School System and graduated from Clifton Senior High School in 1980.

India worked for the police department as a data entry for many years. She loved to sing, listen to music and loved having social gathering on the weekends. She also enjoyed hanging out with her favorite cousin Chuck and her best friend China man and sister Maria. Those who knew her and those who grew to know her loved her because she was loving, kind, gentle and fun to be around.

India leaves to cherish her memory: her precious mother, Mary Pearson (Patty); siblings, her loving sister, Maria Thomas; brothers, Todd and Kirk

Thomas; sisters, Toddle-Nawright, Chiffon Wright and Veda Rice; two sisters-in-law, Valerie and Sabrina Thomas; one brother-in-law, Standley Rice; two beautiful nieces, Donita and Andrea; one handsome nephew, Cameron; one loving great aunt, Frances Nickelson; four dear aunts, Valerie Woodard and Gilda Woodard, Jacklyn Turner and Joyce Brown; Terry Little her life time devoted, loving, caring, faithful friend who will miss her smiling face and her caring ways. Special relatives and friends who meant the world to her, cousin Chuck, who she hung out with and loved as her big brother; her three special cousin, Ernest Woodard and Charles Woodard and Tommy Woodard; two very dear friends, China Man and Barbara who she looked to as family; a very special friend she loved dearly Sparky who preceded her in death; a best friend that she spent most of her days with named Brian Smith; and a host of beautiful nieces, nephews, other relatives and friends.

“ Miss India and I worked together at the Police dept and was hired around the same time. We sat beside each other for quite some time at the department I often remember joking around with her often we would have many Dumb A** attacks inside joke. I would often share with her the music i was currently working on or even plays i was working on etc etc she would always give me her honest opinions and I greatly appreciated it. I will always remember you and the good times we had tripping while at work it was always a good time. Rest In Power see you in the morning.

“ My best friend forever. I am going to miss you terribly. You showed me what a normal Childhood was like. And I know we all grow up and sometimes grow part, but I always look forward to our check-ins. Birthdays. Holidays. Life events. Drop-bys. How is it that you could possibly be gone. They are so few people that I look forward to chatting with, tripping with and of course laughing with. There was nothing more amazing than watching you skate. And little me trying to teach you how to ride a bike. Arguing over for barbecue potato chips. And sitting on the steps late at night. These are memories I hold so dear. And all the crazy things we did as we got older, thinking we were grown. After hour spots, dancing until the break of day! I look back and laugh and think I'm so glad there was no Internet back then. We would be in big trouble! Oh and music how can I forget music. Just chilling out at your place. I'm not quite sure if music will sound the same ever again. But I will cherish our memories and the things you did to make me smile on purpose. And the phone calls late at night. And boy trouble. And man trouble. But we had each other. 49 years ago, I met a girl who had never seen snow. And the first winter as friends we watched the snowflakes together from your mother's window. Winter will come again. I'll see you in every snowflake. I love you India Green. Thank you for being my BFF!

“ We the March Family and Staff wish to extend our deepest and heartfelt sympathy in the passing of your loved one. Our prayers go out to you and your family in your time of loss. We know and understand that you have received many expressions of love and we will continue to lift you up in prayer. May the memories you cherish of brighter and happier days help to ease your sorrow and comfort you always.
