“ *Dear Family,*

When I think of Aunt India I remember how she loved and trusted God so I take comfort in God's Word that tells us to be absent from the body is to be present with the Lord. My dear Aunt India had a deep love for her family and did her best to keep us all connected. One of my favorite memories is her encouraging my generation to start rotating family Thanksgiving dinners between our homes. The year it was my turn, the washing machine flooded my basement on Thanksgiving morning. I panicked because I had it all set up to accomodate our large group. But my family stepped in and we were able to pull it together despite all odds and enjoy a wonderful time of food and fellowship with together. Thank you Aunt India for your example of unconditional love.

*Love you all,
Cassandra*
