“ *I would like to express condolence to the family and friends. Losing a dear one after 76 years breaks the circle of life. Ms. Irma has a million dollar smile that make life worth living. Just think what our lives will be like when death will be a thing of the PAST, Gone, 1 Cor. 15:26. I am looking forward to that happening and I know you all are too. May all the cherished and happy times spent with Ms. Irma keep supporting you all as time move on.##imported-begin##Lillian Crosby##imported-end##*

“ *I am sorry to learn about the death of Irma. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...that it is reserved for men to die once for all time. This, too, was true when it was written. But not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*
