

Isaac Tyson

December 23, 1960 - December 18, 2018

ISSAC TYSON was born on December 23, 1960 to Simuel and Lacy Tyson in Baltimore, Maryland. He departed this world suddenly on 18th of December 2018 at the age of 57.

As a young man Isaac proudly served his country as a member of The Army National Guard. Not long after his military service, he started his career as a driver for Domino's pizza, where he worked for 33 years until the time of his passing. Isaac's commitment to his job highlights one of his best personality traits, dependability. His family and friends always knew that if he gave his word then he could be counted on to follow through. They may not have always known when, as he was often running late, but they knew he would be there. Isaac greeted everyone with the same smile and positive attitude that he took with him everywhere he went.

Isaac was not a materialistic person and would often give to others without even taking care of himself. His selflessness was well known, and he gave without expecting or wanting anything in return. He instead enjoyed helping those close to him and spending time with his family. One of his favorite things to do was travel. From his frequent local trips to New York, to his international travel to Paris and Italy, and Canada, Isaac loved to visit new places.

Isaac was beloved father, grandfather, brother, and friend. His life impacted so

many in a wonderful way and he will truly be missed. He leaves to mourn one son, Travis Tyson; grandchildren, Christian and Aria Tyson, two sisters Aria and Ruby Tyson, one brother Roy Tyson, nieces, nephews, and many other relatives and friends.
