“ *I am very sorry to learn about the loss of your family member, Isaiah to death. This must have been a very difficult time for your family. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but that was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says, It is reserved for men to die once for all time. This, too, was true when it was written. But it was not the case before God passed judgment on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ Please accept my condolences for the loss of Isaiah. It is truly cruel for parents to lose a child in death. In these troubled times the Bible can give strong support in the form of hope. One such loving hope is the hope of our dead loved ones returning to life with no more death, sickness, sorrow or pain in peaceful conditions on earth. (Matthew 5:5, Psalm 37:10,11) How will this be possible? Acts 24:15 declares- "There is going to be a resurrection." While drawing closer as a family, continue to draw close to Jehovah God and his son Jesus Christ.(John 17:3)##imported-begin##Hill##imported-end##
