

## Isief Thompson

February 15, 1988 - December 30, 2003

Isief Grand Thompson was born in Baltimore, Maryland on February 15, 1988 to Carolyn Thompson-Shade and the late Mack Anthony Thompson, Sr. He attended Baltimore City public schools and was recently enrolled in the Fresh Start Program, which made a dramatic impact on his life. Isief was a happy, loving and extremely talented young man. He loved to swim, listen to music and talk on the phone (he stayed on the phone). Isief was a devoted son, brother and uncle who cherished the time he spent with his niece and nephews. He would always say in his soft, quiet voice, "Jada, your Mommy's her, it's time to go home. Isief, you're going home now to rest." Isief leaves to cherish his memory: his mother, Carolyn Thompson-Shade; stepfather, Barnard Shade; three sisters, Neffitina Colins, Niya Booker and Rasheeda Thompson; one brother, Mack Anthony Thompson Jr.; grandmothers, Akiko Thompson and Dorothy Thompson (two grandfathers preceded him in death, the late Grand C. Thompson and the late Mack H. Thompson); three nieces, Jasmine Colins, Ishae Thompson and Jada Collins; one nephew, Kai Thompson; two brothers-in-law, Baron Collins Sr. and Donte Booker; one special brother, Michael Pitts; two special nephews, Baron Collins Jr. and Gary Collins; eleven aunts; six uncles, a host of cousins, other relatives and friends.

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ I was another friend of Iseif. Me and him started being cool when he started staying with bubbles and gary. i remember when he first started coming around there couldnt nobody say his name right, including me. I remember we used to take the skateboards and roll down the hill on fenwick and when all of us around the neighborhood would go to the baseball field and play baseball and football. Thats messed up u had to go like that. The last time i seen u was during the Morgan Homecoming, and i had missed u by about 5 minutes when i went over Moo house about a week before this happened. But u in a better place now and keep a eye on me cause now and days the good die young. Your a prime example.##imported-begin##Tyren##imported-end##
