“ To Chris and Family,

*It is with my most sincere feelings I extend heartfelt condolences to you and your family for the loss of your dear loved one, your father. There aren't many unique relationships in life, but a father and mother is one. We only have one of each. Consequently, such loss weighs very heavy on our hearts, mind, and soul. However, one of the qualities Jehovah God gave to us was the gift of memory and so there is for each family member most likely a fond and joyous memory of this family member that may bring a momentary smile or glimmer of joy to mind. Likewise, as our Grand Creator Jehovah gave us the gift of memory, it is comforting to know that HE remembers each and everyone of us down to the most intricate detail and can restore our lives fully. What a loving God Jehovah is and what a wonderful hope for those who have died. During this most sad time, may you seek out Jehovah, "the Father of tender mercies and the God of ALL comforts" to help you through this grievous period. Chris, I look forward to seeing you in the near future.*

*Sincerely,*

“ Dear Family and Friends,

*It is understood that the pain, the grief, and the feelings of helplessness can seem unbearable when you lose a loved one. During these times, you can find comfort in God’s Word. The Bible helps us to understand how Jehovah and Jesus feel about death. Jehovah promised that “He will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.”—Revelation 21:4 Jesus said that “all those in the memorial tombs will hear his [Jesus] voice and come out.” (John 5:28, 29) People who are to be restored to life right here on earth will be reunited with their loved ones. The dead will not be raised to life in a world filled with war, crime, and sickness, because God’s purpose is that the whole earth be made into a paradise. They will have an opportunity to live forever on this earth in peaceful and happy conditions. What a loving God and such a wonderful hope for you and your loved one.*

*Sincerely,*

“ *To the Family and Friends of Ivan D. Bond,*

*I express my deepest condolences to you all at this time. I can surely sympathize with the pain you are going through because like everyone else here on this Earth I have lost a loved one in death. God's Word describes death a sting because it causes us so much pain and grief. Wouldn't it be great if we could just eliminate this enemy today. Well although we can not, it will be gone in the future. At Revelation 21:4 we read, " And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Jehovah sets out this hope before us and it is no doubt very encouraging. What a wonderful thing it will be for death to be a thing of the past. My heart goes out to you at this time and your family is definitely in my prayers.*
