“ I think on you often and I am glad you knew GOD before leaving this earth. I pray you are somewhere around GOD's throne singing with the angles. I have spent my life missing you and still wishing I knew you better. One day I hope to see you again in a better place called "heaven". love you....Barbara Ann

“ I will miss Babe. I knew Babe for over 25 years. We were friends and co-workers.

*I remember the very first time he walked in the door where I was working and a bartender warned me about him (what a tough guy he was) - how wrong that advice was. At first I grew to have respect for him and then friendship for him. I worked with him at two different jobs as well as drank with him, got cussed out by him, talked trash with him. He was always fun to have around - even when he made you mad. Babe would try to come off a hard-a** but under that toughness was a really sweat man. He would tell you the truth about yourself even if you didn't want to hear it - but because you needed to hear it. I learned a lot from Babe and I will miss him. As my friend, I will always be looking for him to come in that door again.*

"I have fought a good fight, I have finished my course, I have kept the faith".

Babe I missed you long before your passing away. So little memories and so little time spent. I always thought I had tomorrow or next week, but it never came. You left this earth before I had a chance to say I LOVE YOU. It took me a year later to say what I should of said 40 years ago...I LOVE YOU and always will. To My brother, from your sister, Barbara Ann.
