“ When I think of Ivory, one word comes to mind and that's POISE!!! She was always elegant even when we were young kids. I always admired that about you! As I think about you I think about your smiling face and how you always seemed to be having a great day whenever I saw you. I want to forever remember you that way, so I will. However, I'm deeply saddened about the news that you have moved on from this life! I promise that I will always remember you, I'll pray for your family and friends and especially for your daughters and husband for their strength at this unfortunate time! R.I.P Ivory!! 🌸

No winter without spring
And beyond the dark horizon

Have only gone away

Into a brighter day.*

“ Sending my condolences to the Brown and Wright families doing this very difficult time. Praying for your strength after the loss of your love one.

I remember almost 16 years ago Ivory was the mock mommy at Cierra baby shower after Cierra went in labor early she had everyone in stitches laughing at her. She did it from the pillow under her shirt to opening of the gifts and being so excited about what she received.

Sincerely, Jacquelyn Chandler-Jones & family

Family, be reminded that earth has no sorrow that heaven can not heal. We are praying your comfort, healing, peace, love & strength will be upon y'all as you go through this your time of bereavement.
