“ *God makes no mistakes. All the suffering and pain are gone. Your mother called to him and said "Son its time to come home" and she took his hand. May your family be blessed and stay safe in this difficult time.*

My uncle was always protecting me as I was growing up until he couldn't do it anymore and then we had to start protecting him. You are in no more pain and with Grandma Betty now dancing and singing watching over us again. You will definitely be missed until we meet again. Love you so much!
