“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

“ *Tyrese - I loved your mom like she was mine. Jackie was a wonderful woman and a great mother. I know that you and Jarrod held a special place in her heart. Jackie was the peacemaker in your family and she did this often. Grief is hard and you and Jarrod will each grieve differently - be there for one another as you will gain strength through loving one another. I will miss Jackie and I told her when I visited on Thursday to stay away from my husband. I hope they meet on the other side as they will enjoy one another's company. If there is anything I can do, please let me know. Take your time and remember Jackie is in a better place and sitting with the lambs and watching over all of us. God Bless! Love, Chuck*
