“ *I would like to express condolences to you all in your family circle of life being broken. Ms. Jacqueline was 61 years young and looking great. Imagine the happiness that will come when the dead loved ones are resurrected in the near future. We will have great joy and tears of gladness all around. The bible can unlock so many things that are hard to understand today about death. We can look to the future with great confidence. I am looking for that time to come in the near future.##imported-begin##Lillian Crosby##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. John 5:25, 28, 29. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.###imported-begin###Senita Swann###imported-end###

“ My prayers go out to the family of Mrs Banks. Death is truly an enemy I corthians 15:26. But God is very eager to bring our loved ones back to us. The Bible mentions 9 people who were resurrected by Jesus and his disciples. Jesus himself was bought back to life. I pray that you find comfort from the scriptures because very shortly God promises to give our dead loved ones back to us John 5:28,29.###imported-begin###Elaine###imported-end###

In addition, I feel led to invite the survivors of Jacqueline to my church: Set the Captives Free. My church holds a bi-monthly bereavement ministry called Life after Loss. It helped me a great deal and I pray that you allow for it to assist you in such a time as this. May God Bless you all...##imported-begin##Angie##imported-end##
