“ Please accept my heartfelt sympathy for your loss of your family member. During this time of sorrow you need comfort. There is a wonderful promise at Revelation 21:4. "and he will wipe out every tear from their eyes and death will be no more. Neither mourning nor pain be anymore. The former things have passed away."

“ *My heart felt condolences goes out to your family. I am so sorry for your loss. My heart aches knowing that you are hurting and grieving. "To be absent from the body, is to be present with the Lord". She is finally home and resting with our Lord and Savior. I pray that God will comfort the hearts and give strength to all the love ones she left behind. Gone too soon but God knows best and we have to continue to trust and believe that this is all apart of his plan and his will.*

“ *To all my family,
We all know that no matter what Niecy went through she had a smile on her face. Even though this is a really tough time for all of us, I just want to say that I'll miss her everyday and I'll remember all the fun times that we had growing up. whether it was at a cook out, at work or wherever you saw her. i will always remember her as the sweet and kind person that she was. i will always remember the tears we've cried together and all the hugs we shared. it hurts now but one day God will help all of us see this through.*

i love each and one of you no matter how close or far apart we seem to be. i'll make sure her memory will live inside of me.

“ To the family I am deeply sorry for your loss. She was once a co-worker of mine at the Ikon Office downtown. She always thought about her girls and she was a good mother. She believed in the Higher Power Of Our Lord and Savior Jesus Christ. She will never be forgot by all who have met her smiling face. She will be missed by all. May God Be with the family. She's in GOD'S hands now .
