“ *James was the first person to greet me when I started a new job in the Westerre offices. He was always a calm and cheerful presence. I was shocked to learn his age because this man worked so hard I thought he was a decade younger. We will truly miss James and wish peace and comfort to his family during this difficult time.*

To my cousin, James, may you rest easy. I will miss seeing you and that smile that would just light up a room! One thing I always admired about you, you was a sharp dresser...cuz you were sharp! You demonstrated what family means, anytime your help was needed you were present. Thank you for being a great example not only to your girls but to your cousins. Love ya to life always.

Family I will keep us lifted in prayer

“ James worked as the facilities manager at Westerre 1 & 2. My company, Tridium, was one of his tenants. James was always very helpful, had a great smile, and a warm heart. About 6 months ago, we went out for a special lunch so I could get to know him better. He lived an amazing life and loved his daughters and family dearly. I will miss see James around the halls of Westerre as he was a so special to us

“ *Mr. Brown*

The short time I've known you, I understood that the one thing that was most important to you was family. You lived life on your terms and you loved your family. I'm glad that you're no longer suffering and was surrounded by people who love you. I'm happy to have met you, I appreciate you welcoming me into the family.

Rest in Peace

“ *Papa!*

I am so grateful for your life and the memories we have shared together. You were there for me in so many ways from my first job out of college, to the drives to Maryland to the calls you gave to make sure I was "okay." I miss our conversations, laughs and your caring spirit. My spirit told me you were ready when you called me home that day! I will never forget it. I love you very much!

No more suffering and no more pain. May the God of Peace rest NOW in Jesus name. I am forever grateful to be apart of your journey!

“ *Brother Brown went to John M Gandy School with my father (Dr. Leroy M. Bray Jr.) and were best friends, he shared that friendship with me at Springfield Baptist Church. James took good care of Springfield, he knew how to fix just about anything. My fond memory of him is when He and I (along with several other men from the church) would talk for hours while working on the church property, sometimes slowing progress of the work. Sometimes James would simply say 'we need to stop talking so we can get something done!' We love you and will miss you!
