“ *"They say light attracts light, and James Burchette made every life he touched glow a bit more. He was more than a friend; he was my partner in crime and the person behind my favorite memories. I'm so grateful I have this photo to hold onto, but I'm even more grateful for the years of friendship that a camera could never fully capture. Gone too soon, James, but you are woven into my heart forever."*

“ James had such a gentle and kind spirit. He would do anything for the people he loved. His optimism was contagious, it was hard having a bad time when you were around him. I'm going to miss him so much, nothing will be the same. But I know his soul is at peace with his dad and Robert on the other side ❤️
