“ To the Family of James "June" Davis I would like to extend m condolences to each you during your time of bereavement. Dr. H. Beecher Hicks says that death can be a happy sad occasion. We are happy because we know that all suffering is over and he is in a much better place. It is also a sad occasion because we have lost his physical remains. The best way to keep his memory alive in our hearts is to talk about him. Keep the faith as a family and band together in love during this time of sorrow. In the words of Adam Clayton Powell "Keep the Faith Baby".

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
