“ I send my warm condolences to the Carter family. He was 90 years old, a long time to live in this day and age. I'm sure you all gained a lot of wisdom from his years of living. Even though his life was long, from God's standpoint it was as if he only lived a second; that's because he is the king of eternity who has always existed, and because of his great love for us he desires that we too live for all eternity. That was his purpose when he first created Adam and Eve; that they live in peace and happiness forever; and his wonderful purpose has not changed. Yet there is something that he requires of us to gain that wonderful gift of everlasting life, and that is found in the bible at John 17:3 which reads, "This means everlasting life; their taking in knowledge of you, the only true God, and of the one whom you sent forth, Jesus Christ. By means of such knowledge we learn of Jehovah's wonderful ways, his purpose for the earth, and Jesus's role in his purpose. We also learn what we must do in order to gain salvation, and see our dead loved ones again. I offer to assist you in having a free home bible study. If you are interested please contact me at my e-mail address. May you be comforted by his love which surrounds us during our tribulations.##imported-begin##R Johnson##imported-end##
