“ I offer my deepest condolences for the loss of James. Although I didn't know him personally, I do know how much it hurts to lose a loved one, because I too have lost many loved ones in my life. One day we will have this pain removed from our hearts, because god has promised that we will be reunited with our loved ones again one day; and the bible indicates that that day of salvation will be here soon. Jehovah God has promised that this world will soon be a paradise of peace; which has always been his purpose from the beginning. All who survive into that new world will be reunited with their ressurected loved ones to live forever in true peace and security. Jesus stated these powerful words found at John 11:25. "I am the ressurection and the life. "Everyone exercising faith in me, even though he dies, will come to life." Imagine life in a peaceful new world with all your loved ones at your side forever. What joy that will be. 2nd Peter 3:13, Psalm 37:10,11. May you be comforted by this wonderful promise.##imported-begin##R Johnson##imported-end##
