“ *Dear Family and Friends, Please accept my condolences on the passing of your loved one. At times like this comfort is needed more than ever. Please find comfort in the scriptures. Malachi 3:16 states that Almighty God has a book of remembrance and be assured that your loved one is in that book. He also promises that when he opens that book those that are in it will be brought back to life (John 5:28,29) and will never die again. Please let these scriptures comfort you in your time of need.##imported-begin##Sophia Briscoe##imported-end##*
