“ *Please accept my heartfelt condolences for your loss. Death is such a sad traged, we can hardly come to grips with it. It hurts us like no other event in our lives. Jehovah god is a comfort to us when we are in destress, because he is so very well aware of our pain. This is why he sent his son Jesu so that we may be done with sickness and death, and have an opportunity for everlasting life in paradise conditions. Please be assured that Jehovah\\\'s word will be fulfilled, because he is a God who cannot lie, and a fullfiller of his word. Isaih 55,10,11. So one day you will see your loved one again in the promised ressurection if you do the will of God as we all must do in order to recieve the blessings. Take care family, and may your precious memories bring comfort to your hearts in the days ahead.##imported-begin##R Johnson##imported-end##*
