“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Sorry to hear about your lost. But did you know that there is hope in the future about seeing your dead loved ones again? Revelation 21:4 talks about Jehovah doing away with death and mourning. 1 Corinthians 15:42 tells you of the resurrection of the dead. I hope you are able to cope with this terrible lost, my love and prayer goes out to the family.##imported-begin##Zarah Moore##imported-end##

“ Boots, I didn't know you were in the guest book until today. I talked to Robin yesterday, She told me she came out to visit you. Every time I see a monopoly game I think of you. Honey I trust you don't have to play the game anymore and that you have everything you desire. I love you and you did a great job raising your 2 sons. They make me proud. (smile) I will tell Mom to write you.##imported-begin##Sandra Martin##imported-end##
