“ *Jimmy Jr and the entire Smith Family shared such wonderful memories with Jimmy. Jimmy Jr is what my grandmother Leatha Rose Thacker Smith use to call him. Growing up my father Larry "Fish" Smith and Jimmy were very close. Jimmy often told me stories how I thought as a kid that the redial button was his phone number, because he was always the last phone call my father had before bed. When I would wake up in the mornings I would hit the redial button and call Jimmy. When my father and grandmother passed away Jimmy was always there checking on me and my family. I would always share stories with him we would stay on the phone for hours. The last story I shared was my new house. I'm going to miss our chats, emails, and most of all the special place that he had in my heart. He was considered as my God-Father. Rest In Paradise Jimmy until we meet again.*

“ Jimmy Miller and I had many memories, but here is one I treasured. The day we built his record room. Mark Sullivan, Jim and I spent the entire day building this wall...actually Mark built the wall, Jim and I got in the way...LOL...I took pictures all day...after we finished I created this Gold record titled "The WALL" to dedicate that room...what memories...i'm gonna miss ya buddy...

“ Jimmy was a dear friend. We worked at Cadmus Communications together for 13 years. He managed me for part of that time. He was such a caring person with an easy going spirit and very patient. He was a great teacher and is responsible for much of the knowledge I gained working in IT(Information Technology). He will be really missed. Rest in peace Jimmy.

Funny Candace just was in contact with Jimmy to come see her new home and he wrote on facebook that he "missed his buddy" who is Larry Fish Smith. Jimmy love Fish and things were never the same after he passed 6 years ago. Well Jimmy is with Fish now having a ball. Much Love Pam and the girls.
