“ to the family and friends of james i send sincere condolences. the Bible holds out so much comfort for us because christ died for us to live not die. Jehovah's purpose of everlasting life on a paradise earth cannot be changed. it might have been delayed because of the disobedience of adam and eve but Jehovah is God and no one can stop His hand. Jehovah allowed His only begotten son, christ jesus to die to correct the mess made by our disobedient parents. His purpose of life in a peaceful new world will soon come true. all those the Bible says, in the memorial tombs will hear his voice and come out. the resurrection hope is solid. so to hope to see james again is real, promised by Jehovah, a resurrection to a paradise earth with no more crime, violence hunger, poverty, homelessness, no lack of love and caring, at that time all living will be serving Jehovah in righteousness with no more sickness or death ever again. please contact me at my e-mail address so that we can discuss these promises further as there are things that Jehovah requires of us if we are to benefit from these promises. kic2@verizon.net. i look forward to hearing from you soon (john 3:16)###imported-begin###kathy commander###imported-end###

“ *My deepest sympathy is with your family and friends on the loss you share, I know that no words of sympathy can ease the pain you feel. Jehovah God has given us memory as a gift and in time the memories of James will come without the pain, and you will be able to focus not on your loss, but on the love, joys, and blessings you shared by having James in your lives.##imported-begin##Josephine##imported-end##*
