Tribute Wall

“ Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to our worst enemy called Death. However, ITS stated in GODS word the bible that the very first humans were created to live only on this earth, and created perfect with the ability to live forever without any pain or sickness or death. but because mankind made that decision to disobey GODS Laws their perfect life and all those born after them would be cut short. However, or loving heavenly father and his son decided to make changes according to 2PETER 3/13 and PSALM 37/10/11 it states that soon only righteous people including all those that have passed away will be given the opportunity to live forever on a restored paradise earth. My hope is to be there and i hope you all will be there also, thanks.
