

James Randolph Christopher

March 4, 1939 - November 9, 2004

James “Randy” Christopher was born to the late William Russell Christopher and Ruby Lorraine Christopher on March 4, 1939 in Baltimore and departed this life on November 9, 2004. As a youth he attended the Baltimore City Public Schools. After graduating he worked as a chef at the Sheraton Inn, and the Holiday Inn Hotel; eventually going back to school to receive a degree in Nursing from Notre Dame College which led him to a thriving career at Baltimore County General Hospital/Northwest Hospital from which he retired in 2001. Randy had a love for traveling and spending time with his close friends and family, always showing hospitality and making you feel comfortable and loved. His compassion, generosity, and loving manner were always easily shown and sometimes much needed. He leaves to mourn: a wife, Gloria Cecilia Brown; two sons, James Angelo Christopher and Anthony “Puddin” Christopher; daughter, Patricia “Debbie” Simon; three grandchildren, Shenea Christina Christopher, Tyrone Antoine Simon, and Solomon Malik Simon. He also leaves to mourn two sisters, four brothers, seven nieces, seven nephews, eight great-grand nieces and nephews, as well as a host of aunts, uncles and loving friends.

“ *Dear Family, I am very sorry to hear about your loss but please be assured that Almighty God looks down and sees your plight. He promises you that in the very near future he is going to swallow up death forever and raise the dead to life again and we will all live in a paradise earth free from all the problems of this old dying system. Please read Isaiah 25:8,9;John 5:28,29 and Revelation 21:3,4 to find these promises of or God and Father.##imported-begin##Sophia Briscoe##imported-end##*

“ to the family and friends of Mr. Christopher I send me deepest condolences. although it has been almost four years since the death of your dear loved one, the pain of death never really goes away, it just subsides somewhat. there is so much that Jehovah had written in his word, the Bible to bring us comfort and peace, such as the resurrection hope. Christ Jesus died as a guarantee of this. not only will our dead loved ones return from death but they will live, here on an earth that has been transformed into a paradise. there will be no more crime, violence, suffering of any kind, including no more sickness or death, no more hunger or poverty, no more classes of people - all will truly be equal. everyone will build and have their own homes and the word repossess will be obsolete. there will be no one to ever make us tremble. Our loving God - Jehovah has left us with this wonderful promise, along with many more, in His word, the Bible. Psalms 72: 12-14,16 reads: "for he will deliver the poor one crying for help, also the afflicted one and whoever has no helper. He will feel sorry for the lowly one and the poor one, and the souls of the poor ones he will save. From oppression and from violence he will redeem their soul. And their blood will be precious in his eyes"."There will come to be plenty of grain on the earth. On the top of the mountains there will be an overflow. His fruit will be as in Lebanon And those who are from the city will blossom like the vegetation of the earth". this is one of my favorite scriptures, it makes us feel so loved and cared for. I would love to sit down with you and discuss many more wonderful truths from God's word, the Bible. Here is my e-mail address: kic2@verizon.net, please contact me. I look forward to speaking with you soon. kathy commander###imported-begin###kathy commander###imported-end##

“ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future.##imported-begin##Carter##imported-end##
