*My brother, my friend, my hero. Welford was all this and more to me. I will truly miss my brother. The talks we had. Always finding something to laugh about. I always enjoyed dancing with him and talking about Mom and Dad and how much we missed them. God makes no mistakes and I know Welford is with Mom and Dad watching over me and my family. Welford made me so proud when he joined the Men's choir at our Church. I truly loved hearing him sing. He was awesome. Welford I love you. I miss you. We will see each other again one day.
