“ I send my heartfelt condolences to the family at this most difficult time. Please be comforted by the promise found at Acts 24:15, which tells us that there is going to be a resurrection of both the righteous and the unrighteous. Millions will come back to life in a peaceful, paradise earth where sickness and death will be no more. May you find much solace in this wonderful promise. “ To the family, Please accept my sincere sympathy. It is truly unfortunate that we have to experience the sorrow associated with the loss of one we love. This is a sorrow that God promises will one day be no more (Rev 21:3,4) As you await the fulfillment of this promise may you find comfort from, "the Father of tender mercies and the God of all comfort who will comfort you in all your tribulations."
