“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

*Uncle James, may your light always shine and I know you are with your family in heaven! Thank you for being a great uncle! Even as a child we had a special unbroken bond and I thank you for always being kind, thoughtful, loving and having my back like I had yours! I was very glad I followed my mind and came to see in the hospital after not being able to talk to you on the phone every day and find out any information on you! You don't have to worry about being in pain and not being able to breathe anymore! God's got you now and I thank you for coming to see me before leaving! I will always cherish our time here on earth and look forward to seeing you again. May God love keep and guide you always. Until we meet again, Love you always and miss you, your niece Mildred Williams.*
