

Janet Ernestine Doby

October 2, 1943 - April 26, 2020

Janet Ernestine Doby, 76, of Henrico, departed this life Sunday, April 26, 2020 after a long battle with heart disease. Janet will be remembered as a beautiful woman of God with a truly sweet spirit. Her faith was unwavering regardless of the life's circumstances. She was compassionate, caring and loving, but she could also be a little silly. She never complained, even though she went through a lot. You could tell her anything and it would be kept confidential and everyone loved talking with her. If she told you she was going to do something, she did it. She would remember everyone's birthday and would send a personalized card that she made especially just for you. She had some of the sweetest friends who loved her dearly and she loved them. She will be truly missed.

She was preceded in death by her husband, Calton 'Frog' Doby, her uncle Franklin Ward, and her daughter, Kendria Taylor. She leaves cherished memories to her sons, James Pryor (Geneva) and Kenneth Taylor Jr (Belinda); daughter Jacquelyn Pryor; stepdaughter Quintasha Brown (Elder Antione Brown); grandchildren Charise Blodgett (Kelly), Chelsea Taylor, Courtney Pryor, Asia Rather, and Antione Jr 'AJ', Daija, and Makayla Brown; great grandchildren James Thomas 'JT' Otero, Coda Taylor, and Adelynn, Maggie, Eliza, Lucas, and Samuel Blodgett; and a host of other loving family members and friends.

“ *She was fun easy to get along with soft spoke and a beautiful soul. Our friendship goes back a long way to when we we're little girls our lives we're parallel in many ways. A bond existed and became stronger when we found out we're cousins. although distantly. However for us distant was just a word. After High School and as we grew older for a while we did lose track of each other as fate has it that was soon reconciled. We we're both back in Glen Cove on the same day and we found each again that day and it was if we had never been apart we simply picked up where we left off. We never lost touch again no matter where life took us.*
