

Janice Renee Chambliss

September 5, 1959 - October 11, 2011

Janice Renee Chambliss was born in Brooklyn, New York to James E. Chambliss and Laura A. Chambliss. She was the youngest of three daughters.

Janice grew up in Queens, New York where she attended primary school at the William Cullen Bryant High School in Long Island City. She later attended Virginia State University where she received a Baccalaureate Degree in Business Administration.

In her early years Janice excelled as a radio personality in both New York and Maryland where she was known as "Jaycee Alexander". She later began a career in the Engineering Department at Verizon Wireless, located in Silver Spring, Maryland. Most recently, she earned a Master of Science Degree in Finance from the University of Maryland, College Park, graduating cum laude.

She was a hard working, spirited, and compassionate person. She loved the Lord with all her heart and truly embraced the notion of helping others. Nothing that she possessed was too much to share with someone in need. Janice was a great daughter, a superb sister and a beloved aunt. Her nephews Vaughn Watson, Julian Alvarez and Camerson Alvaraz adored her, and she adored them. Janice will be truly missed.

She leaves behind to carry on: her mother, Laura Chambliss of Rego Park, Queens, New York; her sister, Sharon Chambliss-Alvarez of Hollis Park, Queens, New York; an aunt, Irene Morales of Richmond, Virginia; three nephews, Vaughn, Julian and Cameron; a brother-in-law, Victor Alvarez; and many loving cousins, relatives and friends. As dedicated Christians, we know that while Janice is no longer physically present in our daily lives, she will forever live in our hearts and minds, until we meet her again.
