“ *I met Janice from my parents. They live next door to Jancie. Janice was a very kind hearted and sweet person to know. I thanked her for looking out for my parents. She always had a smile on her face, no matter what she was going through. My prayers are with the family to stay strong and always keep your head up like she did. God Bless each of you. Janice will be missed.##imported-begin##Saundra Frazier##imported-end##*

“ I would like to express my sincere condolences to the family of Janice. At times like these I take comfort in Jehovahs words that there will be a ressurection at John 5:28,29 and at Isa 25:8 where he promises to swallow up death. May these words give you comfort and strength during this difficult time.###imported-begin##T. Taylor###imported-end##

“ I did not know Aunt Janice like others. But I did get the chance to meet her at our wedding. She drove all the way from Baltimore to Indiana to see her nephew get married and I don't think she knew truly how much that meant to my husband. And while helping my mother-in-law sort through her things, I felt the greatest feeling of Aunt Janice being there with us, helping us and guiding us. And when I found our wedding invitation that she kept, I broke down for a minute because it really did mean so much. She will be missed very much by her friends and family because she had a very positive attitude despite her health condition. I love you Aunt Janice.##imported-begin##Elizabeth Hunter##imported-end##
