“ *JaQuan used to work with me. When my cancer came back, Jaquan and a few other coworkers were at my doorstep with a huge gift basket, beautiful smiles and words of encouragement. That was the type of person JaQuan was, thoughtful and kind. He was a gift to everyone who knew him. He was a wonderful young man and his memories will live on forever.*

“ JaQuan was one of the nicest young men I have ever known! He was a light to others and I will always remember him for his positive attitude and his ability to remain calm, even when the person on the other end of the line was not. He always impressed me with his manners and I can still picture him looking at me, smiling and saying, "Miss Pam, I don't sweat the small stuff." JaQuan will be so missed! A bright spot on this earth has gone out. May he rest in peace and the Perpetual Light shine upon him.
