“ Jarron M. Johnson, I've known you from a young boy and I have never been disappointed in how you carried yourself. Never afraid of anything always the seeker of knowledge and your dream. I am not your biological family, but I've known you so long and loved you like my nephew. I was able to get a hug before GOD took you home and I will cherish those laughs we had and will never forget how you always were a very respectful young man. I will be there for "Goode Mom a.k.a Trina" while she grieves the loss of both her sons. I know you both will be watching over her, you always have. I thank God I had the opportunity to meet you and love you. Rest Peacefully!!

“ Jarron/J Dot Sully/ Mr. Johnson,

*I waited to hear that this was hoax or something. Then to find out it wasn't I was hurt. Heartbroken. I won't type a long message. It's been 5 years and we know how close we were and that's all that matters. My daughter, Your buddy was so hurt when I told her. She made jokes about when you came to the house to help with the care packages for the homeless. Y'all bond was out of this world. Until we meet again 🥺*

*Signed Lady Gaither*

*To Jarron's Parents, son's and their mom I will keep you all in my prayers. He always spoke so highly of all of you. Remember to be absent from the body is to be present with the Lord! God bless*

“ Jay, I am so sorry. I will miss your “Early Salutations, Lady Bradshaw” text messages, as well as our exchanges of Jay & Bey gifs. I’m going to miss telling you how beautiful your skin and smile is. So happy to have been able to connect with you and in this short amount of time of us conversing and getting to know one another, you have touched me in a way that I will never forget you! I am sending prayers and the highest vibrations to your parents, your sons, their mother, as well as all of those who love you. I left flowers for you by the mural right over from Payson st and lit a candle in your honor. I saved every video, photo and song that you sent me over the last few months.

*I pray you visit your loved ones in their dreams bringing them comfort and allowing them to see your sweet face once more.*

*You will forever be mourned, loved and missed immensely. Your light will forever shine bright and your legacy will forever live on.*

*With Love,  
Tiffany (Lady Bradshaw)*
