“ Jarvis A. Street

“ To the Family and Friends of Jarvis A. Street,

I express my deepest condolences to you all at this time. I can surely sympathize with the pain you are going through because like everyone else here on this Earth I have lossed a loved one in death. God's Word describes death a sting becaus it causes us so much pain and grief. Wouldn't it be great if we could just eliminate this enemy today. Well although we can not, it willl be gone in the future. At Revelation 21:4 we read, " And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Jehovah sets out this hope before us and it is no doubt very encouraging. What a wonderful thing it will be for death to be a thing of the past. My heart goes out to you at this time and your family is definitely in my prayers.

“ I am sorry to hear of your loss. May you find comfort in family and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4, John 5:28-29. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life.

“ I am very sorry to hear of your loss, please accept my deepest sympathy. May you find comfort in family and friends at this difficult time. The Bible also offers words of comfort and speaks of a time when death, pain and suffering will be no more at Revelation 21:4. Again, I pray this message brings you much comfort.
