“ Tim and I wish to convey our heart felt condolences. We would also like to share our memories of this beautiful young lady, Jasmine.

She loved her family. Sharing pictures of her loved ones was here joy.

She enjoyed discussing the Bible. I can still hear her saying, "I tend to over think things!"

She was an artist. Proudly sharing her works of art, including a self-portrait.

She was generous/ hospitable. Always happy to offer, water, juice etc. when we visited.

She just sparkled. Her big smile would light up the room!

Tim and I will truly miss Jasmine, but more importantly, we are happy that Jasmine knew God's future purpose for her.
