“ Hey Dad, I'm on my way to visit you. Today's Father's Day and as I'm driving tears just continuously falling because I miss you so much...I wish you was here.. I have so many bad days... I be wanting a big hug from you telling me that it's gonna be ok...today I knew would be hard for me as usual...I woke up trying to prepare myself for what life has to throw at me it's always working... the devil... I come outside and notice someone sideswiped our car. Tried to view the cameras ...couldn't see anything 🚰🏠♀ another bill added to rest of them... although I know I have people in my circle that's genuinely for me. I still feel alone like I cannot talk to no one. I cannot vent to no one. Maybe it's me. I've been having really bad migraines and headaches.... my stubbornness won't let me go see a doctor I've decided to leave it in the lords hands...I'd be lying if I said I was scared because you suffered from headaches/migraines...anyways I wanna let you know I'm always reminded of you... I enjoy the memories we share...you was a great dad ...I'm proud to call you my dad.. giving you Blg thanks on this day.. I pictured you dancing to all of your favorite oldies..teach mom dukes some dance moves..I miss and love you guys always in my heart's Happy Father's Day

“ Hey dad, I miss you as usual, yesterday was a sad, unexpected terrifying day. My soulmate, the love of my life.lost her dad. When I got the call, the first thing that came to my mind was how I felt when I got that bad news of your passing. Life is so unfair dad. Why do all the good ones leave and we're stuck with the wrecked evil ones. Death is always near me. It seems. I never mentioned this but when I lost you 12years ago I kind of gained a bonus dad. When I say he loves me like his daughter. He's kind, loving, funny asf. He's a great dad to his children just like you was dad. But God decided to call him home also. I don't know where imma get the strength to be there for my Roc ,just like she was there for me but I have to, lord only know her and her dad was closer than white on rice. Dad if you see a short guy(same height as you)clean cut ,always fly ,stay bragging on how much he loved his kids and how wonderful they are
Tell 'em I said he broke our hearts but we understand Gods will. Tell 'em i said i wont make any promises but ill try not to cry. Tell' em i said imma always rep him. forever. I would say “I can't wait to see y'all again” but my job here on earth isn't finished. I love y'all

“ *I am so sorry for your lost. Losing a loved one is never easy. Jehovah God promises to do away with all of our suffering. In Revelation 21:4, it says "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." How comforting it is to know what Jehovah promises for us. I encourage you and your family to read this in your own copy of the bible. I hope this helps in your time of need.*
