I will always remember how Juanita was so cheerful when I came into work, she would shout out "Hey Ms. 'D' or "Ms. 'D' in the house !! " Always so happy and upbeat. There aren't enough people like her in the world. I already miss hearing that in the morning. My sincere sympathies go out to all of her friends and family.

As Patron at Denny's it was always a joy to see Juanita there. Her kindness and friendship has left an empty void inside me. My friend, my waitress I will truly miss you. May your soul rest in peace in God's heaven.

I can count on one had how many people I have met in this lifetime who have possessed the amount of charisma and realness Juanita projected. When she walked into work, the entire atmosphere changed, mostly because of that winning smile she always sported. You could always have wonderful heart to heart conversations with her and she would always keep it real. If you needed something or a favor, Juanita was always the first one to volunteer and was always putting others before herself. I loved having her around me so much I even took her to my other job at The Olive Garden, and in the short time she worked there everyone else realized what a special person she was. I am thankful to have had her in my life even fo a short time. I will miss you my Juanita Bear.
