“ *I would like to send My Love and support to the Spratley-Bates Families. Jean was always such a wonderful , loving spirit. She accepted me as Her niece and treated me kindly.. Her smile was always a joy to observe . I was a child when I met her but I could feel her love toward me. The God I serve never makes mistakes and I trust that She is with God now and if there was any pain in her life it is gone. Don't think about this sad time but remember all the good times and let God heal Your heart.*
