

Jean M. Bouldin

December 30, 1941 - March 29, 2008

Jean M. Bouldin was the third child born to John A. Bouldin and Susan Tucker Bouldin on December 30, 1941. As it is appointed unto all men once to die, she was called at the appointed time to her heavenly Father. She was educated in the Baltimore City Schools of which Carver Vocational Technical High School was her all time favorite. She attended Morgan State when it was still a college. She was a member of the Order of the Eastern Star Prince Hall Affiliated. She graduated as the Valedictorian of her class and obtained the office Worthy Matron in less than ten years. As a child she often dreamed of having her own business someday. That dream came true in February 1994, when she opened her assisted living facility, "Bouldin's Home, Again". She took excellent care of her clients, and their only complaint was that they were getting too fat from her delicious meals. For the most part, the clients stayed in touch with her calling and visiting her on a regular basis. She worked a total of fifty-five years of which thirty-five of those years she spent with the Federal Government. She accepted Jesus Christ at an early age (fourteen) and was baptized at Mt. Ararat Baptist Church. She enjoyed church, but Sunday school classes were her favorite. She joined Huber Memorial Church in November 2000. At Huber, Jean was very active. She was a member of the Senior Usher Board, attended Women of the World Saturday Bible Study, Huber Host, Advisor to the Jr. Ushers and Secretary of the Senior Ushers Board. She attended all recommended classes and then many more with enthusiasm stating the more she learned the less she realized she knew. Jean leaves to

morn her passing; her sister Christine V.Bouldin; two beloved children, son Wayne S.Bouldin and daughter Danna N. Grant; two beautiful grandchildren, LaToya C.Brock and Brianna M.Bouldin; and loving daughter-in-law, Terri. She also leaves loving nieces and nephews," whom I would like to thank for your loving care during my time of illness."

“ *Please accept our condolences for the loss of your loved one. The Bible in a loving way informs us that our "last enemy death" is to be destroyed and there is real hope of our dead loved ones returning to life with no more death, sickness, sorrow or pain. (Acts 24:15, John 5:28,29) May you receive much comfort, hope and strength from this wonderful hope.##imported-begin##The Hill's##imported-end##*
