“ Tony, I only this moment found out about your mom's passing. You'd never remember me because you were just a little boy when I met you, but Jean and I worked together at Va Power. I can still hear her fabulous singing voice to this day and her great sense of humor. I remember the day she slipped in the break-room and it ended up as a fractured tail bone and she was in a lot of pain from then on. I really liked Jean so much and there were times when we ran into each other over the years and took the time to talk and catch up. It was tonight, out of the blue (and it's almost 3am now) that I sat up in my bed and all I could think of was Jean. That prompted me to look online and see if she was still on Gordons Lane, but instead i saw the notice of her death last January. It was so hard to see that as I was hoping I'd find her and actually call her in the morning. I'm just so, so sorry, Tony; I know she adored you to the moon and back. Since our time at Va Power, she has run through my mind a million times; I just wish the time had been taken to reconnect these last years. She was a good woman and I will offer up prayers for her and for you tonight. I sure do miss her and I know you do, too. Just so you know, I was Jenny Oyer back then, but Dickinson now. I am shaking my head in sorrow.

I hadn't heard from Jean is so long that I tried calling her several times, but no answer. I googled her name, and found her obituary just now! I am heartbrokened!!! We have been good friends for so many years. I'm so sorry that I didn't try to call her sooner. There were three of us who hung out..Joyce, Jean, and I. Now, I'm the only one who's left.

“ Jean was a sweet lady. My daughter and myself thought a lot of her. We met her by Sherri Cheatham we are friends. Jean suffered a lot but didn't complain and very private about what she went thru. Tony I'm sorry about your mom she will be missed but at least she is not in pain but with God. May God be with you during this time. My thoughts and prayers are with you and your family.
