“ A Poem For You, Miss Jeanette: God saw you were getting tired and a cure was not to be; So He put his arms around you and whispered "Come To Me". With greatful eyes we watched you, we watched you pass away; Although we love you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest; God broke our hearts to prove to us, He only takes the best. “ Jen, Sorry I couldn't be there with you in you're last days. But, you know my heart was there when I sent someone who could help you make peace with your God. So, I say to you rest on, for your job here is done. And, God knows who he left here to carry on your work. I say to you he needed another one of his precious angels to come on home with him , because there's work to be done in the most highest and holiest place too. “ Mommy, It is so very hard being here without you. I know that you are looking down on me. I have told you many times before that I LOVE YOU and I always will. You and I had many good times together. I miss you so very much. Although you are not here with me in flesh you know that you are in my heart and thoughts always. You was the best mom and best friend a child could ever have. I thank you for all that you have done for me in my life. You have taught me soon many wonderful things. You were a very strong and warm hearted lady. You are greatly missed. Mom I could just go on and on and on about how wonderful you are and has been to me. Love you mom. I will see you again same day. Mom when you departed this life I know that you left me all the strength that you had and I thank you for that. Well girl I am just writing this letter to let you know just a little of what I am thinking right now. Love you. ##imported-begin##Latonia Carroll##imported-end##

“ *Happy Mother's Day Mom "I Cry" I cry not for you, but for me.I cry not because you are gone from me, But because you left me behind.I cry because I don't know the beauty and love that you feel and see.I cry not beause I think you are sad but because I am sad. I cry not because the love is gone, but because my love for you is so strong.I cry for me because I wasn't quite ready to give you up.I cry not because you are not here with me, but because I'm not there with you.I cry for me everytime I think of you. I cry for all of those who love you so dearly. I cry not for you for where you are, I cry for me for where I am,and that I am not with you.Every tear drop that fall from my eyes are tears of joy and gladness that you were such a wonderful part of my life.I cry because I'm not with you,to experance the beauty, the splendor, and the abundance of things so wonderful.To know what it's like for everything to be simply perfect...I love you MOM with all my heart and soul..And I will forever miss you til we meet again..LOVE YOU ALWAYS##imported-begin##Latonia Carroll##imported-end##*
