“ Please accept my sincere condolences. 5 months have passed, but losing a loved one is something you never forget, although the pain gets a little easier to bear. Did God mean for us to suffer such grief? Never would that be the case. From the beginning all he desired for us was eternal life in a peaceful paradise earth, yet his purpose has not changed. Mal 3,6. As the bible says, Jehovah"s word never returns to his mouth without results, so we can count on the fact that one day we will live forever in peace and happiness. Isaiah 55:10,11, Psalm 37:10,11. As for the dead, they will hear the voice of Jesus calling them from the grave, and they will come back to a happy life. May these scriptures be a source of comfort to you in the days ahead.##imported-begin##R Johnson##imported-end##

“ I am very sorry to learn about the death of Jeannette. I'm sure that this must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
