“ *Growing up without a father. I often wonder what it would be like to have one myself. I know Jeffrey's be through a lot and overcome just as much. Now that I'm older, I realize he was the closest thing to a father to me. I remember sometimes I would be angry and headed down a bad path. Every time I was about to do something bad, jeffrey was always there to stop me. I learned a lot from him, but his presence kept me out of trouble. Jeffrey's presence in my life gave me the chance to be where I am today. I will always be grateful for this chance he gave me to live a different life. Rest in peace pops. I love you.*
