“ my sincere condolences go out to your family due to the death of your dear loved one, jeffrey. i just wanted to leave a message of hope to all family and friends who cherished him while he was here and had to suffer the pain of his death. God's purpose is for man to live, not die. adam and eve interfered temporarily because of their disobedience but no one can eliminate what God promises to do - that being to have man live long, healthy, satisfied lives in a peaceful world with no crime, violence, homelessness, hunger, sickness or death. to counteract the badness of adam and eve, Jehovah has promised to resurrect those who have died in this system of things and to teach them his ways - provided that they listen and obey - they will be able to live everlastingly on a paradise earth. for those of us who are still alive, we too must be obedient to Jehovah God's word, the Bible. our reward for obedience now can be to see our dead loved ones again and to have the opportunity for everlasting life in a peaceful new world, full of righteousness. if you would like to learn more, please contact me at my e-mail address -k commander@cricket.com i'll look forward to hearing from you. please read these scriptures in the meantime - john 5:28,29, revelation 21:3,4, psalms 37:9-11,29###imported-begin###kathy commander###imported-end###

“ To The Stanton Family: I wish to express my condolence for the loss of your love one. During times like these, hearts are filled with grief and pain. However, please find comfort in Jehovah God's promise found in the Bible at Revelation chapter 21, verse 4. It reads: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." May God comfort you during these difficult times.##imported-begin##P Land##imported-end##
