“ Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much.##imported-begin##The March Family and Staff##imported-end##

“ I just wanted to first send my sympathy and express my disappointment in how you dismissed the fact that Jeff had a relationship with my sister. You never mentioned my sister but out of good grace mentioned his daughter. The end result is were is he now, beside his wife. Whether you guys liked my sister "Peach" or not the reality is Jeff loved my sister. You did not hurt us, who you really hurt was my niece. Life goes on and God nows that Jeff was Peach's husband. I was really surprised at you Naomi because I know all of this was your doing.....despite the fact that Jeff did not pay to bury his own wife and I was left with the bill, I still out of respect for my sister's home going service mentioned her husband. Anyway, I will not go on and on because it hurts and just needed to let you know.##imported-begin##Geneal White##imported-end##
