“ I cant think of time when i wasn't excited to see you after a long stint of not hearing your voice, and I don't have one bad memory of you JJ. I was telling my husband the other day that you remind me of aunt Emma, full of love with a big heart but would still tell it like it is. I love the realness of you, I love your laugh and the way you would say " Hey Jelly" whenever we saw one another, you know my mom(Buzz) is crush behind you leaving, but I know that you aren't suffering or in pain. I love you JJ and I know that your soul is at peace, and I will forever hold on to the memories we had, the memory of your smile and the contagiousness of your big infectious laugh(lol). I miss you big cousin but I know this is just a temporary separation. Kiss Nanny, Poppy, aunt Emma, my sister(Keonna) and my baby Reds for me and let them know that I love them. Until we meet again King.

*I love you

“ To the Ragins and Potee family. I am so very sadden by the transitioning of my dear cousin. I remember a very kind and loving person. As a toddler in Richmond,Va he was always a sweet, intelligent child. Back then we had a very memorable conversation I will never forget and hold dear to my heart. He was love just as his Mom, Emma. Even in adulthood he never changed. Family, know that you each are in my prayers. Ernest and Lil Ernest all my love. We shall see him again one day and commune. All my love, Nita in RVA

“ Jay, I can hardly wait to see you again, you were a real friend to everybody on every occasion. Your coming into this world brought your mother and me together after so many years of sibling rivalry. I fell in love with you at first sight and I was so very proud to be your Aunt; and I still Am. I miss your presence in the life, but so very thankful you said YES JESUS I trust YOU. I shall see you again. I love you Eternally. Aunt Cassie

" I feel so sad that I have lost my boss, my trainer, my inspirer, my Leader and above all my Daughter's Godfather. As a correctional officer, when I started, I felt so scared and he was the one who encouraged and inspired me and lead me through every step in Corrections for me to become who I am in Corrections that now I have held almost every position in the corrections and making sure that my fellow officers are also given the same direction. He cared for me everyday even outside the job, contacting me daily to make sure I am doing well. That prompted me to make him my Daughter's Godfather, because he was such a Great and Good person whose presence in my life was so beneficial to me.

He was also there for my daughter, as a GODFATHER to my daughter. My daughter felt very sad when she heard about his passing. She cried after the viewing ceremony.

I have lost my great leader, but I also believe that our Father in Heaven has welcome him home. MAY YOUR SOUL REST IN PERFECT PEACE IN THE ARMS OF OUR LORD.
