Jerod my brother. This is hard. I pray for strength for your family and will miss you. The smile , the laughs, the challenges faced. Through it all you battled and I admired your strength. Your earthly journey ended unexpectedly and you will be missed dearly 😞. Get your eternal rest brother and we will meet again on the other side. Peace and love to you and your family.

I had the privilege of working with Jerard for many years and he will be missed. He had the biggest heart and never raised his voice to anyone. I do know he knew the lord and this brings comfort knowing he is in Heaven now. May the lord bring comfort to his family during this difficult time.

“ *The best bossman in all the years I’ve worked. He said he had my back and showed me that he did also. When I would get upset and call him. He would calm me down. Everytime we were on the phone about business we were laughing about something. I’m gonna miss him some kind of bad because he had such a great impact on my life. Our last conversation will forever be my best memory of him. He once told me that losing me was like losing the lottery and now I can say losing him was like losing the lottery because now I know how he felt. Gone but never forgotten. Forever in my heart because this was definitely heartbreaking to hear about.*

“ *It was a privilege knowing Jerard over the years. He always listened and gave sound advice to me. He had a gift of a calming voice. No matter how upset I would be about work, he never failed to have us both laughing by the end of our conversation. I appreciated that more than he ever knew. I will miss those conversations and his laugh. Fly high Jerard, you will be sadly missed. Rest easy My Friend.*

“ I can't believe that I am writing this. I am heart broken. 16 years Mr. Hickman 16 years. You were my Honey and you still are. With you there with me there was nothing I couldn't do. With you there to love me there was nothing I couldn't accomplish. You were my everything and you held my heart in the palm of your hand. What am I going to do without you.

*Our heart was broken when we heard of the passing of Jerard. When we would come to see DeeDee and James and often had a chance to see him. Jerard was always kind. So sorry to hear about the passing of a kind person. May the Lord comfort and strengthen the family.

“ *Personal Note: It is with great sadness that I was informed that a very special special friend and my Asst. Chief (1994-2006) past suddenly this week. Officer Jerrard Hickman applied to my department when he was twenty one years of age. His father, a Sergeant with the Richmond Police Department was so proud that he was appointed to our Richmond Public Housing unit and gained spectacular respect from the 35,000 he served. Jerrard was not able to follow in his father's footsteps due to his very large stature that medically prevented his passion for public service. Jerrard quickly demonstrated his ability to serve and command respect not only from his community but his peers in Henrico, Richmond and Chesterfield police forces as well as the regional Judiciary system. Jerrard had a fantastic sense of humor and coupled by his sixfoot-five, 350 lb frame quelled quite a few criminals by his meer professional presence. He was always the staple of giving 150% of himself to others no matter what the needs over his personal situation. Those who knew him are grieving over this loss as very few officers truly understand the gental giant that was Jerrard Hickman. I will miss you greatly buddy.*
