“ *Jermaine, You will always be in my heart. You are my family. There are so many things I want to say to you. You were a good stepfather to Dru, Ariq, and Kai, they love you. You were a great father to MiMi and Tykel they all will miss you terribly. Kelly loved you, she tried to help, we all did. I am not at your viewing today because I'm taking care of MiMi for you. We all will look after the kids and Kelly for you. I will miss my Sausage McGriddles. Love You Always, Grammie.*

THE STAFF AT NAN - May 11, 2016 at 08:45 AM

“ My dear Jermaine....there are so many memories because I was there from the day you were born. I was there as we danced with each other doing kid and play,--your high top fade and all,. I was there when you wanted to go to computer school and followed my footsteps. I was there as we rode to work together when I worked at Johns Hopkins and you worked down the street. I can go on. I wasn't there the day you left us though I wish I could turn back the hands of time. The pain I feel is beyond any word you will find in the dictionary. A part of me left with you and a part of you will always be with me. I will hold unto the love we shared to make it day by day. Hug Pop Pop for me, though I may cry for you both.... I know I will see you again and I will hold tight to the memories. Rest In Paradise my love one.
