“ To the family of Mr. Johnson, please accept my heartfelt condolences for your loss. Death is so very painful, and is truly heartbreaking for the family and friends. This sadness was never God's purpose for the human family. He created people to live forever in peace and happiness in the beginning. Even though that is not the case now, that is still his purpose; for his will to be done on earth just as it is being done in heaven. This is why he sent us his precious son so that we could have our sins erased and receive everlasting life. Jesus said at John 10:10, "I have come so that they might have life and have it in abundance." John 3:16 says, "For God loved the world so much, that he gave his only-begotten son so that everyone exercising faith in him might not be destroyed, but have everlasting life." Very soon, death and sorrow will end, and many will be brought back to life in peaceful conditions. Acts 24:15, Isaiah 25:8, Psalms 37:29, Rev.21:3-5, and 2ndPeter 3:13. May you find comfort in the hope found in the bible , as well as in your precious memories of your loved one.##imported-begin##R Johnson##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
