“ *I am sorry to learn of the death of Jerome. This must have been a difficult time for your family. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says, It is reserved for men to die once for all time. This, too, was true when it was written. But it was not the case before God passed judgment on sinful Adman.##imported-begin##JT Nunnally##imported-end##*

“ *Please accept my condolences for the loss of your loved one. Death is truly a heartbreaking event that is so hard to deal with. We want our loved ones here with us always. One day soon. God promises, sickness and death will be no more. 1st Corinthians 15:26 tells us, "As the last enemy, death will be brought to nothing." Then according to John 5:28,29; "All those in the memorial tombs will hear (Jesus's ) voice and come out. May it comfort you to know that one day Jerome will live again in paradise conditions. May this hope of the ressurection help you to cope with your loss, and may your precious memories which death cannot take away bring joy to your hearts.##imported-begin##R Johnson##imported-end##*
